*4" Square (5.5k/25k)-\$899.99*

The power of torsion technology has been brought to the Gooseneck coupler providing up to 90% inertia mitigation between truck and trailer, leaving you and your cargo feeling less beat up! With up to 25,000 lbs. towing capacity and 3,000 or 5,500 lbs. tongue weight, this isn't your daddy's Gooseneck!
